1. Introduction

Geeta University comes from the Lineage of Geeta Group of Institutions, a giant educational hub with a presence since 1985.

Geeta Group of Institutions provide the runway for thousands of dreams to take flight and reach the destination of chosen careers through a journey marked with expertise, experience, and excellence.

Today Geeta University represents the culmination of the aspirations, ambitions, and the honest attempts of its founders at providing a world class professional curriculum rendered through an invigorating campus environment.

Geeta University is poised to take you to great heights because its wings are made of the vision of higher global knowledge and it is rooted in the philosophy of Karma.

One notable factor about Geeta University is the thrust on ethics and preparation to offer to the country a Complete Corporate Citizen; citizens, who are national assets; citizens, who are productive resources; Citizens, who lead the charge of innovation; and citizens, who are living examples of Empowering Education, Empowering Minds.

At Geeta University, sophisticated learning finds place with street smart common sense that Indians are known for. International students gain much practical experience about India and Indian values. They can take this knowledge, learned at Geeta University campus and through its curriculum, to their home countries and share it with the world.

Vision

“To reach the pinnacle of academic excellence and nurture the dreams and visions of students aspiring to evolve into well-rounded technocrats, professionals, scientists, leaders, and entrepreneurs, dedicated to nation-building.”

Mission

- To inspire academic excellence, through a student-centered and outcome-based teaching-learning process.
- To develop the right knowledge, skills, behavior, and attitude among students.
- To promote interdisciplinary research.
- To establish a strong industry-academia connection.
- To nurture entrepreneurship and support the innovative ideas of students.

2. Message

Chancellor's Message

Sh. S.P. Bansal, Chancellor

Geeta University is sprung from the Geeta Group of Institutions, a massive hub of education that has existed since 1985. Geeta University stands as a beacon of learning, driven by a passion for excellence in education, research, and community engagement. Our commitment to fostering an environment of intellectual curiosity, diversity, and inclusivity is at the core of everything we do. As Chancellor, I am dedicated to upholding the traditions and values that make Geeta University a hub of transformative education. Our faculty, recognized for their expertise and commitment to teaching, ensure that our students receive a world-class education that prepares them for the challenges and opportunities of the future. At Geeta University, we believe in the powering education to empower minds, inspire innovation, and contribute to the betterment of society. Our vibrant campus provides a platform for students to explore their passions, engage in research, and develop the skills needed to become leaders in their chosen fields.

Vice Chancellor's Message

Dr. Vikas Singh, Vice Chancellor

It gives me immense pleasure in presenting the Annual Report of the Geeta University for the session 2022-2023.

Geeta University is renowned for its commitment to academic excellence. We offer a diverse range of undergraduate and postgraduate programs across various disciplines, ensuring that students have the opportunity to explore and excel in their chosen fields. As a research-intensive university, we are at the forefront of groundbreaking research and innovation. Our faculty members and students engage in cutting-edge research that addresses real-world challenges and contributes to the advancement of knowledge in their respective fields. At Geeta University, students are at the heart of everything we do. We are committed to providing a supportive and inclusive learning environment that fosters personal and academic growth. Our comprehensive student support services, including counseling, career guidance, and extracurricular activities, ensure that every student has the opportunity to thrive and succeed. Our commitment to global engagement prepares our graduates to navigate the complexities of an interconnected world.

I would like to record my appreciation and acknowledgement towards the cooperation of all the teaching and non-teaching staff members involved in the compilation of this Annual Report.

Prof. (Dr.) Vikas Singh

Pro Chancellor's Message

Mr. Nishant Bansal, Pro Chancellor

At Geeta University, we take pride in our rich legacy of academic excellence and commitment to fostering an environment of learning, research, and innovation. As the Pro Chancellor, my role is to ensure that we continue to build upon our heritage while embracing the advancements and possibilities that the future holds. Our university stands firm on the pillars of academic integrity, inclusivity, and a relentless pursuit of knowledge. These guiding principles shape our educational philosophy, driving us to provide a transformative experience for every student who walks through our doors. Our commitment to academic excellence is reflected in the world-class infrastructure we provide. Geeta University boasts state-of-the-art facilities, cutting-edge laboratories, and modern learning environments that foster innovation and collaboration. From advanced research centres to well-equipped classrooms, we prioritize creating spaces that inspire and support the pursuit of knowledge.

Pro Chancellor's Message

Mr. Ankush Bansal, Pro Chancellor

At Geeta University, we are committed to providing a nurturing environment that fosters not only academic achievement but also personal and professional growth. Our dedicated faculty, state-of-the-art facilities, and a rich tapestry of programs ensure that every student receives a well-rounded education. As we navigate the ever-evolving landscape of education, Geeta University remains steadfast in its commitment to innovation, research, and global perspectives. We strive to prepare our students for the challenges of the future, equipping them with the knowledge, skills, and values necessary to make meaningful contributions to society. So I invite youngsters who want their future glittering with possibilities, parents who are concerned about the future of their children, the teachers-the faculty who crave a space that bridges education and knowledge, the schools that want their students to see the future today....Come to Geeta University, Powering Education, Empowering Minds.
