**Subject: UGC "Guidelines on Public Self-Disclosure by Higher Education Institutions
2024 - Reg.**

University Grants Commission has notified Guidelines on Public Self-Disclosure by Higher Education Institutions. The Guidelines are available on the UGC website, www.ugc.ac.in. As per the Guidelines, all Higher Education Institutions (HEIs) are required to maintain a functional website to provide relevant information to stakeholders. UGC vide letter D.O.No.F.14-4/2023 (CPP-II) (C.No.131173), dated 10th June, 2024 directed all HEIs to take necessary measures to comply with the Guidelines so as to ensure a fair and transparent Higher Education System. Universities were also requested to display all the relevant information on the homepage of the respective university's website as a single document so that the information becomes easily accessible to the stakeholders. Many of the universities have already complied with the UGC Guidelines and made the relevant information accessible to all by displaying the same on their respective website.

All the stakeholders, especially students may find all the relevant details including recognition/accreditation status of the HEI, programmes offered, faculty details, academic infrastructure etc. by checking the "Public Self-Disclosure" document available on the respective HEI's website.

HEIs which are yet to comply with the UGC Guidelines are once again directed to take immediate action and display all the relevant information as a single document, titled as "Public Self-Disclosure" on their respective website.
