Provisions visible in the records

Provision	Evidence
Energy activities	None recorded in the workbook. No solar, renewable-energy, energy-saving or electricity-awareness event appears in any SDG sheet.
Environment and sustainability	World Environment Day programmes (2024, 2025, 2026), plantation drives, an NSS special camp on the environment, and the National Sustainability Conclave & Awards (18 Apr 2026).
Campus facilities	A third-party admissions listing (merishiksha.org) mentions solar hot water in hostels and solar power backup. This is not confirmed by the university, so please verify before using it.

Overview & Activity Profile

SDG 7, Affordable and Clean Energy, covers access to affordable, reliable and modern energy, more renewable energy and better energy efficiency. For a university it shows up in solar and other clean power on campus, energy-saving measures, energy awareness and teaching and research on energy. This report therefore proposes **8 activities** recorded January 2024 to June 2026.
