Overview & Activity Profile

SDG 10, Reduced Inequalities, covers reducing inequality within and among countries: the inclusion of all people regardless of sex, origin, disability or status. For a university it shows up in equal opportunity, support for women, access for international students and outreach to people with fewer resources. This report maps that entry and **30 more activities** from other SDG sheets, **31 in all**, January 2024 to June 2026. Each is listed once.
