GEETA
UNIVERSITY
Panipat, Delhi NCR, INDIA —
POWERING EDUCATION, EMPOWERING MINDS.

WELCOME TO THE WORLD OF

GEETA UNIVERSITY

Panipat, Delhi NCR, INDIA
POWERING EDUCATION, EMPOWERING MINDS.

Spread over 40 acres,

GEETA UNIVERSITY

comes from the rich legacy of Geeta Group of Institutions; a powerhouse within the

education sector, laying the foundation for

literacy led revolution in Haryana. Geeta

University is poised to take you to great heights

because its wings are made from the vision of

higher global knowledge and it is rooted in the

philosophy of Karma. Today, Geeta University is

the culmination of the aspiration, ambitions,

and an honest attempt at creating a world class

professional curriculum rendered through an

invigorating campus environment.

UNIVERSITY CAMPUS

Shall accommodate all the modern facilities & world-class infrastructure. Image refers to the master plan of GU.

FUTURE IS A PRESENT ...

As we learn to unwrap the gift of each day, our courage, our character and our conviction decides the trajectory of our dreams and destiny. My career span is a testimony to this idea and the ideal of aligning one's passion with perseverance.

We, as Geeta University, are on the threshold of a new milestone and I feel proud to be a teacher, a mentor, a father figure to the future of this glorious Nation, in my own small way!

As the times today demand a fast paced action oriented curriculum, Geeta University has invested in the future; creating a wealth of Complete Corporate Citizens with leadership qualities sought by the country.

So I invite youngsters, who want their future glittering with possibilities, parents, who are concerned about the future of their children, teachers and faculty, who crave a space that bridges the gap between education and knowledge, the schools that want their students to see the future today, come to Geeta University.

**POWERING EDUCATION,
EMPOWERING MINDS.**

S.P. BANSAL
CHANCELLOR

“ The best way to do business in the education sector is to stay close to education and far from business ! Every decision will measure your conscience as every cost is an investment; an investment into the future of India, future that will compete with the best of the world and lead to the evolution of new thought leaders.

Our students are also taught iron - clad ethics that have shaped the legacy of Geeta Group of Institutions and today forms the framework of our pride and our passion i.e. Geeta University!

And the future is safe in such hands.”

NISHANT BANSAL

PRO CHANCELLOR

“We follow the processes and methodology honed by the best academicians responding to the clarion call of their passion to make education in Haryana, match the best in the country.

Our technical courses and teaching programs, includes Pharmacy or the very in demand Computer Sciences, Legal eagles or the hotel management professionals and so many others. Geeta University opens up a world of great opportunities, way beyond the regular career skills. At Geeta University you become the Complete Corporate Citizen.

We invite you to extensively explore our website and take a stroll in our campus, to realize how the Future is already here!

”

ANKUSH BANSAL
PRO CHANCELLOR

VISION

- To achieve academic excellence and create technocrats professionals, scientists, leaders and entrepreneurs having the vision of nation building

- To help our students achieve academic excellence using student centric outcome-based teaching learning processes.
- To strongly build knowledge, skills, behavior, and attitude of students.
- To promote interdisciplinary research.
- To build strong industry academia connect.
- To nurture entrepreneurship skills and support innovative ideas of students.
- To inculcate the right moral values and professional ethics in our students and help them become a responsible citizen.

XEDGE

IS THE KEY TO UNLOCK YOUR
POTENTIAL OF BECOMING

COMPLETE **CORPORATE** CITIZENS

XEDGE is a program to
add and enhance your
education in every segment.

It is a gamut of personality development, attitude coaching, stress management, tax planning, life skills like cooking, swimming, and so much more. So, when you leave Geeta University with your degree, you will be complete corporate citizens.

COMPLETE

with career skills, life skills, & social skills.

CORPORATE

with an attitude that is focused on expected delivery of tasks within deadlines while maintaining standards.

CITIZENS

who contribute to the nation with their skills and add value to the national resources.

Future is now & here
MEET THE FUTURE AT

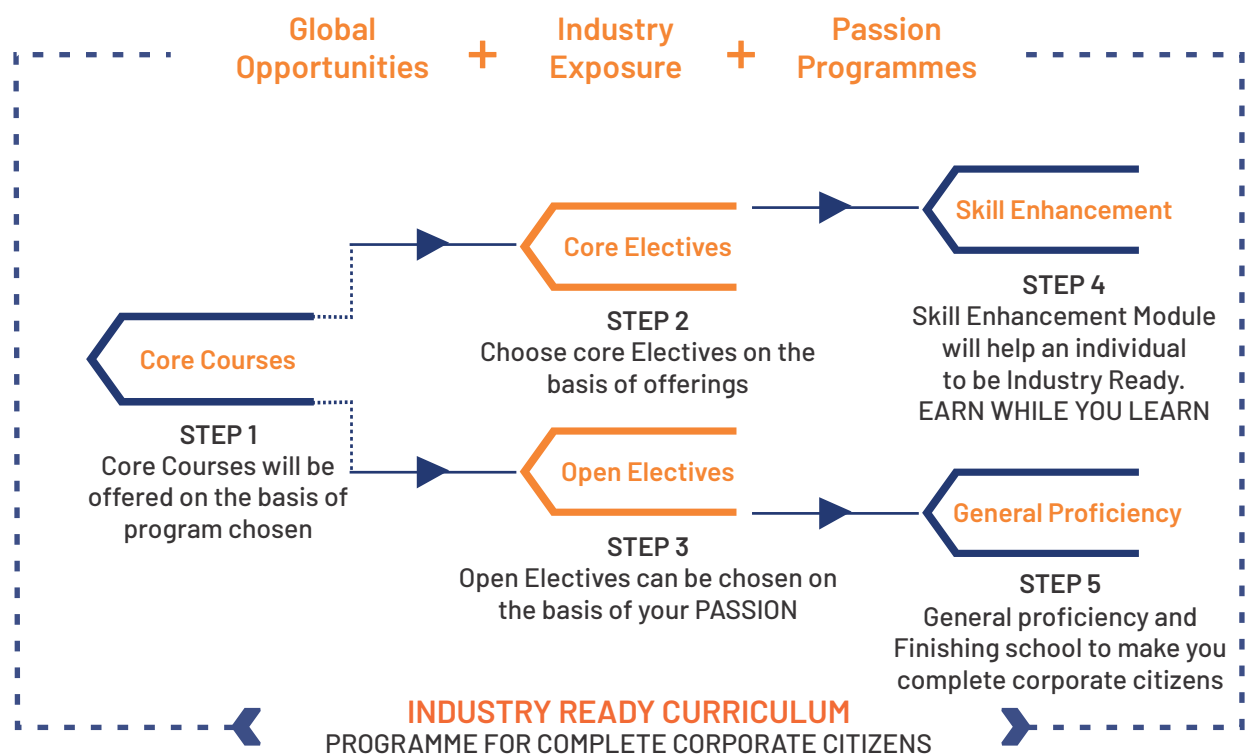

GEETA
UNIVERSITY

NEW NATIONAL EDUCATION POLICY (NEP-2020)

GU is focusing on gaining an in-depth understanding, deliberation, planning, and execution of NEP for reaping its benefits in the largest interest of our stakeholders. Our action plan is essentially a reflection of the commitment of the University to implement all relevant provisions of NEP-2020 efficiently within the specified time frame. The implementation of NEP at the University shall help it emerge as a pioneer for other academic institutes to follow.

DESIGN YOUR OWN DEGREE WITH GU

Core Courses – mandatory courses based on the chosen programme.

Core Electives – are offered based on the opted specializations.

Open Electives/Passion Programs – are offered, based on the multifaceted needs of the global workplace and evolving lifestyles. At GU, you need not suppress your hobbies or passions. Even as a Commerce student, you may choose HTML as one of your subjects.

Skill Enhancement Modules – are offered via Geeta Technical Hub & through Vocational training, which basically are the technical skill sets and are important because nearly every corporate job today relies on the use of different tools, programs and processes.

General Proficiency – Additionally, Geeta Finishing School offers a gamut of courses for personality development, attitude coaching, stress management, life skills and so much more, targeting your general proficiency and developing you as a complete corporate citizen.

GU Students are empowered to choose their subjects, customize their degree, design their academic & skill based learning paths and become well-rounded professionals with strong human values.

OPEN ELECTIVES / PASSION PROGRAMMES

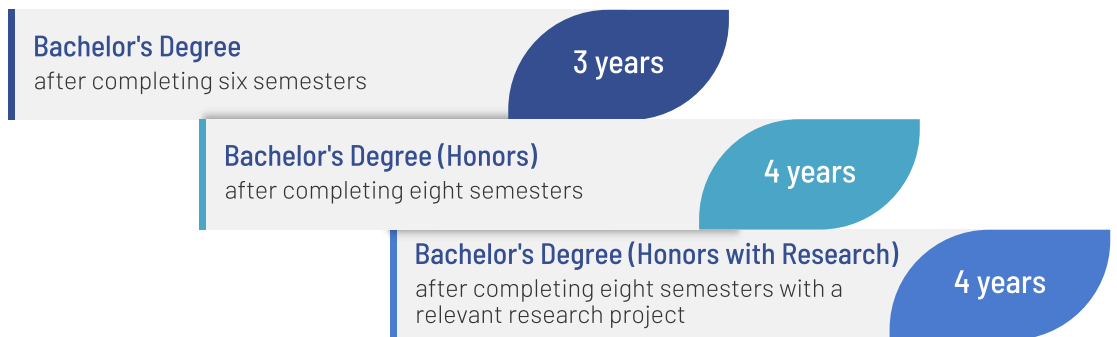

- Negotiation and Leadership
- Sustainable Development
- Fingerprint Science & Personal Identification
- Multimedia Forensics
- Word Press & Blogging
- HTML, CSS & Word Press
- AI in Modern World

360 DEGREE LEARNING APPROACH

GIP implements holistic development in professional & Interpersonal skills of the students through the well crafted soft skill training of Geeta Finishing School.

INTERNATIONAL CONFERENCE ON NEW FRONTIERS OF
PHARMACEUTICAL RESEARCH **2024** (ICNFPR)

WHAT DO STUDENTS SAY ?

I am glad to share that our college is good in academics as well as extracurricular activities which helps build our self confidence and personality. The favorable learning environment and practical work in labs helped me become more confident to face the industry. All these factors helped me get selected in Curamatix.

NIKHIL RAWAL

B.Pharmacy - Curamatix

The campus, amenities, the and well-established labs are the most important part of any institute. The faculty here at Geeta University is truly amazing. I am truly blessed to be placed at IDS Infotech and will forever be grateful for the constant support and guidance I have received from my faculty.

AMIT KUMAR

B.Pharmacy - IDS Infotech

Industrial Visit to Integrated Bee Keeping Development Center

Industrial Visit to HAIC, Integrated Mushroom Research & Development Centre

PROVIDING THE ULTIMATE LEARNING EXPERIENCE WITH COMMITMENT TO INNOVATION

GU, a multi-disciplinary university, trains its students to be "Future Ready", with the right balance of knowledge, skills and experiences. Along with the core subject, students have the option to choose subjects from core electives, & technical certifications from our global skill partners.

Students are taught to engage in evergreen agriculture, keeping in view the RAWE Program to build interpersonal skills.

A unique focus on practical learning through hands-on agricultural practices, in the faculty owned farms.

ICAR aligned syllabus with emphasis on case studies & innovative pedagogy.

Distinguished faculty that caters to the need for contemporary skills in commercial farming.

An extensive focus on cutting edge research for developing the latest and modern agricultural methods.

Well-equipped labs for all agri disciplines including Soil Testing & herbal garden.

WHAT STUDENTS SAY ?

Studying at GU has provided me with both the theoretical knowledge and practical hands-on skills required within the agriculture industry. Their comprehensive program has helped me gain a thorough knowledge of Indian agricultural practices.

Ajay Sandhu
B.Sc. (Hons.) Agriculture

The excellent training I have received at GU, with a focus on interpersonal skills, has transformed me into a much better individual. It has changed my perception of the world and the agriculture sector and has inculcated in me the value of "doing it for the nation, not for selfish motives."

Sneh
B.Sc. (Hons.) Agriculture

CAREER PATHWAYS

Industries involved in feeding the world, primarily the agriculture sector, will never face a recession or slowdown. In fact, with the advances in technology, research, and innovation, the agriculture sector is one of the fastest-growing sectors today. This has ensured great career prospects for students with comprehensive knowledge of the field. Agriculture Science students with a recognized degree can find employment in the following sectors:

- Agriculture/Dairy
- Fertilizer Industries
- Academic Institutions
- Food Processing Units
- Agricultural Products Marketing Firms
- Sericulture

“ SCHOOL OF SCIENCES,”

GU offers ground-breaking programs to train aspiring and mid-career professionals in a variety of forensic disciplines used in crime scene investigation and evidence analysis. Our programs offer the combined benefit of scientific knowledge, cutting-edge technologies, and practical skills to help you excel in this dynamic field.

- Training via Workshops and Interactions with Eminent Forensic Experts
- Globally Comparable and Industry Oriented Curriculums
- Well-equipped laboratories with latest instruments
- Endless research opportunities
- Case studies to tackle the challenges faced during a real time crime scene.

Get the latest scientific training and experiential skills you need to become a successful forensic professional

Ensure A Successful Career Path with GU's Forensic Science Programmes

B.Sc. (Hons.)

Duration - 3/4 years

WHAT DO STUDENTS SAY ?

Choosing to pursue B.Sc. Forensic Science at Geeta University was one of the best decisions I've made. Their comprehensive curriculum, hands-on learning methodology, and guidance from industry experts proved extremely helpful in laying the right foundation for my successful career.

Khushi

B.Sc. (H) Forensic Science, 2nd Semester

Becoming a Forensic Science professional was my long cherished dream and Geeta University helped me in fulfilling it. The Forensic Science programs offered by the University are among the best and designed to make the students industry-ready. The supportive faculty, high-tech labs, and the invigorating environment, all helped in paving the way for my successful career.

Sumera Din

M.Sc. Forensic Science, 2nd Semester

Pursuing the Forensic Science program at Geeta University provided me the advantage of well-rounded education and ample practical knowledge to start my career. I gained in-depth technical knowledge about the various aspects of Forensic Science through the industry-endorsed curriculum. Their focus on inculcating the habits of ethical practice and critical thinking helped me become a trusted professional in the field.

Himanshu Sharma

B.Sc. (H) Forensic Science, 4th Semester

EARN WHILE YOU LEARN

- Upto 50000 p.m. during Overseas Internships at Singapore, Malaysia, & more...

DISTINGUISHED FACULTY

- Multi-disciplinary industry experts
- Expert workshops through star chefs

BASIC TRAINING KITCHEN

Freshers are given an in depth theoretical and practical knowledge. In the BTK, the first year students learn the basic culinary arts and gear up for further challenges, which they have to face in this field. Continental cuisines are practiced by the students which helps them acquire international cooking traits and art.

ADVANCED TRAINING KITCHEN

The ATK is where the knowledge & skills of the budding professionals are fine polished to prove their mettle in the industry. Here students are given training in planning and preparation of Indian, Oriental and western cuisines.

BAKERY AND CONFECTIONERY

The Bakery & Confectionery department trains the student in the art of making various types of breads, confectioneries like pudding, cakes, ice creams etc. to make them adept in this field.

Expert Insights for Boosting Student Confidence

Nurturing Care & Innovation with International Hospitality Day Celebration

RESTAURANT & MOCK BAR

The air-conditioned Training Restaurant helps to enhance serving style and techniques of students. It operates 24 hours and also has a Training Bar to facilitate practical experience to the students.

FRONT OFFICE LAB

The front office department trains the students in the skill of efficient customer handling and service. Students learn efficient communication, presentation skills, appropriate body language, and ways to maximize guest satisfaction. These skills are extremely critical for sustained career growth in the industry

HOUSEKEEPING LAB

The House Keeping Laboratory consists of a guest room with well- designed interiors. The Laboratory and the Laundry Room equipped with washing machines, dryer, and a washing area enable students to get the realistic feel of the department.

“ SCHOOL OF HEALTH & ALLIED SCIENCES,,

**“WORLD CLASS
INFRASTRUCTURE,”**

"Come, see & believe it."

GU offers the benefit of an invigorating campus with world-class infrastructure and various facilities to ensure a great learning experience for the students.

CONFERENCE ROOMS

"forums for cultivating team spirit"

Our conference rooms provide the perfect setting for conducting group discussions, brainstorming sessions, and innovative idea sharing. They are the ideal places for developing critical thinking skills among students and helping them master the corporate work culture.

CLASSROOMS

"The theater of knowledge"

The spacious and air-conditioned classrooms at GU provide a disciplined environment for the intellectual growth of students. Designed in amphitheatre style, a majority of our classrooms are also equipped with appropriate audio-visual tools to facilitate effective teaching and learning.

LIBRARY

"A sanctuary of knowledge for curious minds"

The library at GU is an integrated knowledge & resource centre which offers a sanctuary for studious minds. It offers access to more than fifty thousand books, periodicals, reference texts, and national and international journals. It fuels the intellectual growth of students by offering easy access to information about different aspects of academic studies and research materials.

LABORATORIES

"where innovations are driven by experimentation"

GU has over 50 state of art laboratories where students experiment & practice what they have learnt in theory.

SEMINAR HALLS

"The place vibrating with ideas"

Each block of GU has its independent seminar hall. GU has three seminar halls which are widely used to host the events of international and national repute.

TRANSPORT FACILITY

Fast & convenient bus service is available from Delhi, Sonipat, Panipat, Karnal, Kurukshetra, Jind, Shamli, Rohtak districts & its surroundings.

OAT is a space dedicated for organizing cultural events, competitions, plays and other similar activities. It has also been used by regional film makers as a location for shooting movie scenes and songs.

OPEN AIR THEATER

CAFETERIA

"Catching up with friends and creating memories with fun and food"

GU provides the students with an environment to enjoy a happy and fun-filled lifestyle right within the campus itself. The GU cafeteria is a popular hangout place for students, faculty, and staff to meet, eat, and socialize with friends. Along with the cafeteria, the Nescafe joint also provides delicious treats to satisfy the taste buds of students.

CULTURAL CLUBS

"Empowering you to follow your passion"

GU has dedicated spaces designed specially to enable students to follow their passion. Students can participate in various cultural activities like dance, music, singing, fine arts, etc in these spaces. They are equipped with the relevant facilities such as sound systems, musical instruments, artistic tools, and similar items that can be used by the students. They are a perfect place to breed cultural talent and help students prepare and rehearse for various events and competitions.

ACCOMMODATION

*"Connect, explore,
and make memories."*

GU has 4 separate hostels for boys and girls within its campus. All the hostels have basic amenities like water purifiers, 24hours power backup, AC/Non-AC Rooms, Hot water facility, High Speed internet connectivity, study room, gym, mess, TV, laundry services, medical assistance, security, ATM and surveillance system.

SPORTS FACILITY IN 7+ ACRES

Sports activities are the key to leading a fulfilling and disciplined life. The University offers multiple avenues where students can enjoy various sports activities. It has well-developed courts for playing badminton, volleyball, and basketball and also features a football ground.

TESTIMONIALS

"The two years I spent at Geeta Campus inspired me to persevere & never give up on anything irrespective of how difficult it might seem. The practical lessons learnt here were instrumental in building my career."

Yakshup Goel (Package - INR 40 LPA)
Apisero, Pune

"My teachers gave me a rock solid foundation of excellent academics and above all the confidence to dream & achieve. It helped me reach the place where I am today."

Monika Jaglan (Admin Officer)
Ministry of Information

My tenure at Geeta Engineering College was a great learning experience. Their Industry interaction, mentoring, and 360° development helped me become an entrepreneur instead of seeking a job. I am proud to be a GECian."

Vaibhav Arora (Director, Voipe Smart Technologies)
California, USA

"It was my dream to become a judicial magistrate. The training at Geeta institute of law is highly focused on preparing students to build a successful career in the field of law. If you seek a career in judiciary then GIL should only be your destination."

Pawandeep Kaur
(Judicial Magistrate - 1st Class)

UNIVERSE OF GEETA

WE SHARE
THE BELIEF THAT

Starting from the leadership team to our students, Cultural diversity has always been evident at Geeta campus. We are proud to be one of the most culturally diverse campus in the region. Our students and staff represent over 9 countries & 19 states.

GU is an easily accessible and friendly university. We believe in embracing cultural differences – so we can be ourselves and feel empowered to achieve success...

“Cultural rights are an integral part of human rights”
UNESCO's Universal Declaration on Cultural Diversity.

"GEC is a home away from home. The thing I admire the most is the multi-cultural environment with an excellent support system. Caring faculty and friends makes the experience at the university very exciting."

Ugyen, Bhutan

"GEC has a very enticing infrastructure, complimenting the most favorable learning environment. I feel very happy that our campus is now converted to university. I welcome all to join GU to ensure your bright future."

Bikas, Nepal

"Being an international student and coming to India for the first time was adding to my anxiety. However, the friendly demeanor of the faculty and the students here has helped me adapt to the environment easily. The faculty here always makes an extra effort in our learning process."

Shafiqul, Bangladesh

"I love exploring new places and what better than India, a place that offers a diverse cultural environment. Panipat, located near the national capital, proves to be the best education destination with the friendliest people around."

Liberia, Monrovia, Cornelius Patrick Labella

"I really loved being under one roof in that beautiful building and enjoyed the diversity of the campus. The professors were extremely passionate about what they do and wanted me to become better during my internship at GGI. Everyone really cared about me, and I was respected and appreciated for my opinions"

Meroslaf, Ukraine

"I find myself very lucky that I am studying in India and that too at Geeta Institute, one of the most promising campuses in this region. Each thing here make me feel special and I feel that Geeta Campus, India is my 2nd home, I really love the place & people around me"

WAIS, Afghanistan

STARS@GU

Celebrities grace the Geeta University Campus each year creating unforgettable moments for everyone to cherish. Students enjoy their live performances and get an opportunity to interact with them and feel inspired by them.

PANIPAT

THE CITY OF

FUTURE

“ GU is located in the outskirts of historical city “Panipat” thus offering its students experience of city life along with a pollution free countryside environment. Panipat is situated on G.T. Road & comes under the National Capital Region. ”

ABOUT PANIPAT

Connectivity

Panipat is well connected through all mediums of transport. Delhi International Airport is the nearest airport. And for road & rail, the nearest station is Panipat only.

Business

Panipat has emerged as a textile hub on the world map generating an annual revenue over 1 billion dollars.

Culture

Being an industrial town, people from all places come to Panipat which gives it a unique flavor of cultural diversity.

Life

The city has everything which a student may desire in terms of shopping malls, food & hangout places.

Getaways

Location of Panipat is perfect for weekend getaways.

History

Three battles fought at Panipat were turning points in Indian history.
